THEY ALL MEET IN THE WOODS

"Yes, Aerosmith relaxed here at The Woodlands.

So did Seinfeld, President George W. Bush, and Mickey Mantle."

*"How is The Woodlands different?
We treat everyone like royalty."*

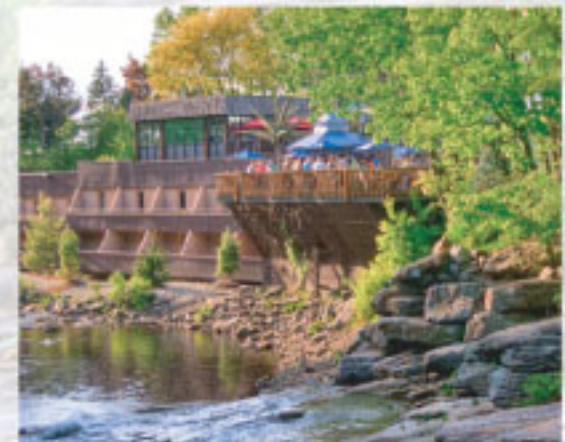

- Mitch Kornfeld, a Woodlands' second generation owner

"Rock stars and presidents, corporations and comedians, associations and legendary athletes: For over half a century, they all meet, mix, and live it up at the celebrated Woodlands."

"I planned a dinner at the Woodlands for 150 employees from my company. The banquet staff were very accomodating. I would suggest some idea of what I wanted done and they were able to execute all of them. For the day of the event, Joe and Gail went above and beyond! The room was set up perfectly and any changes that I had, they made without hesitation.

5 STAR REVIEWS

"Northeast Sight Services holds its Annual Awards Dinner at The Woodlands and has done so since the event's inception over a decade ago. It is an absolute pleasure to work with The Woodlands' staff on this event. They are beyond accommodating with any request we have. The food choices are so creative, uniquely presented and absolutely delicious. We can't possibly imagine working with another venue for this event, which typically has over 300 people attending. The evening runs seamlessly and we can't thank them enough for their help with that."
